*****Coaches will need to know by Friday, January 13th if your swimmer will be attending the Section Meet on Jan. 28th. This is VERY important! Remember – swimming in the Section Meet is strongly recommended. This is the meet that we are working towards all season. This is also a commitment for the State meet on Feb. 12th for those who qualify – typically 95-96% of our team qualifies!!! (See Championship Meet Memo)**

*****Reminder: All swimmers must let their coaches know the Monday (Tuesday for 8 & U) before a meet if they will be swimming at the meet and which events they would like to swim. Swimmers may pick 3 individual events (Coaches will help new swimmers decide). All relays are Coaches decision.**

*****Parents—please sign up on Swim Team Information Board the weeks of Jan. 2nd and 8th to help at the home meets.**
